# Branch Structure

- The KN Branch is **hugely important** to the CWU
- **General Secretary met** with senior management
- We need to move from **HQ running the Branch**
- We in HQ are committed to doing **whatever it takes to make the Branch work**; this may require District Branch assistance
- We have **actions to address** this that will commence following Conference
- There is an **obligation on members** to put in place the representative structures required
- **Other issues:**
  - **Dashcams** - Smoking & phone use (GDPR)
  - **Staff retention** is becoming an issue - pick-up in construction
  - **PMR** on network side
