

Attachment No 3 – GSP 10-23 An Post Transformation 2023-2026 Agreement

Week Three

The Company are proposing to allow one union rep release for week three of the process to allow for feedback on the duties to be provided to the company in an effort to speed the up the process and allow any agreed changes be implemented by the planning team so they are ready for the local engagement process in weeks five and six.

Implementation plans

On the Friday prior to go live all staff will be paid one hours overtime to apply the labels to their own bench prior to or after their delivery. The company will subject to service requirements seek a number (to be agreed locally) of volunteers in each DSU to assist with the replacement of labels on the primary/ drop bags etc.
